
PROVIDING FOR CONSIDERATION OF THE BILL (H.R. 754) TO
AUTHORIZE APPROPRIATIONS FOR FISCAL YEAR 2011 FOR
INTELLIGENCE AND INTELLIGENCE-RELATED ACTIVITIES
OF THE UNITED STATES GOVERNMENT, THE COMMUNITY
MANAGEMENT ACCOUNT, AND THE CENTRAL
INTELLIGENCE AGENCY RETIREMENT AND DISABILITY
SYSTEM, AND FOR OTHER PURPOSES.

May 11, 2011.—Referred to the House Calendar and ordered to be printed.

MR. SESSIONS, from the Committee on Rules, submitted the following

REPORT

[To accompany H. Res. __]

The Committee on Rules, having had under consideration House Resolution ____, by a nonrecord vote, report the same to the House with the recommendation that the resolution be adopted.

SUMMARY OF PROVISIONS OF THE RESOLUTION

The resolution provides for consideration of H.R. 754, the Intelligence Authorization Act for Fiscal Year 2011, under a structured rule. The resolution provides one hour of general debate equally divided and controlled by the chair and ranking minority member of the Permanent Select Committee on Intelligence. The resolution waives all points of order against consideration of the bill. The resolution provides that the amendment in the nature of a substitute recommended by the Permanent Select Committee on Intelligence now printed in the bill shall be considered as an original bill for the purpose of amendment and shall be considered as read. The resolution waives all points of order against the committee amendment in the nature of a substitute. The resolution makes in order only those amendments printed in this report. Each such amendment may be offered only in the order printed in this report, may be offered only by a Member designated in this report, shall be considered as read, shall be debatable for the time specified in this report equally divided and controlled

by the proponent and an opponent, shall not be subject to amendment, and shall not be subject to a demand for division of the question in the House or in the Committee of the Whole. All points of order against the amendments are waived. Finally, the resolution provides one motion to recommit with or without instructions.

EXPLANATION OF WAIVERS

Although the rule waives all points of order against consideration of the bill, the Committee is not aware of any points of order against its consideration. The waiver is prophylactic in nature.

The resolution waives all points of order against the amendment in the nature of a substitute recommended by the Permanent Select Committee on Intelligence made in order as original text. The waiver of all points of order includes a waiver of clause 4 of rule XXI, which prohibits a bill or joint resolution carrying an appropriation from being reported by a committee not having jurisdiction to report appropriations. However, the amendment printed in this report numbered 1, to be offered by the Chairman of the Permanent Select Committee on Intelligence, would strike the provision (Sec. 412) in violation of clause 4 of Rule XXI. If the amendment is adopted, the measure will then comport with the rule. The waiver of all points of order also includes a waiver of clause 7 of Rule XVI because the amendment in the nature of substitute recommended by the Permanent Select Committee on Intelligence includes provisions that are not germane to the introduced bill.

It is important to note that the estimate provided by the Congressional Budget Office (CBO) to the Permanent Select Committee on Intelligence and the Committee on the Budget is incomplete due to the fact that CBO is only permitted to score the unclassified portions of the bill. Because the estimate is incomplete, the Chairman of the Committee on the Budget is unable to accurately advise the Chair on budget related points of order.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order against the amendments and therefore the waiver is prophylactic in nature.
